** PACKING SLIP **

This order has been inspected and free from Foreign Object Debris (FOD).

All claims for error, shortage or damage must be made within 7 days after receipt of goods. Parts must be returned within 15 days. Our liability is limited to repair and/or replacement of the parts shipped.

CERTIFICATE OF CONFORMANCE: We certify that all parts and/or materials referenced on the above mentioned purchase order conforms to the material and/or manufacturing specifications at the time of manufacture. All Value Added work performed by Electro Enterprises has been accomplished in accordance with applicable military and/or customer specifications.

TERMS AND CONDITIONS: Electro's liability with respect to any product not meeting applicable specification(s) is limited to the SELLER'S LIMITED WARRANTY AND LIMITATION OF LIABILITIES which is included in the seller's Standard Contract Terms and Conditions, located online at www.electroenterprises.com. A hard copy can be provided to any customer upon request.

EXPORT CONTROL: These items are controlled by the U.S. Government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. Government or as otherwise authorized by U.S. law and regulations.

This certifies that the above item(s) were manufactured according to Honeywell Sensing & Productivity Solutions documented procedures and inspection plans. Our inspection reports covering materials and parts used in the specific products are on file for examination. Inspection records of functional tests are also on file for examination.

COUNTRY OF ORIGIN: identified in the data section above.

If installing this product on a commercial aircraft in an aerospace aftermarket application:

This part was manufactured to an industry or Aerospace OEM standard that may have dual use.

Honeywell is not offering this part for installation on an FAA type-certificated product unless:

1) it is accompanied by an FAA 8130-3 tag or equivalent certification provided by an authorized Honeywell representative; or,

2) the installer has FAA type certificate approval, or other regulatory approval, to authorize the part and/or next higher assembly airworthiness.

If you need this part for a commercial aircraft repair, it must be obtained from the Type Certificate Holder.

The undersigned certifies that all information on this document is true and accurate.
